Material Amendment to the Turquoise Rules (“the Rules”) - Introduction of a Dark Reference Price Order Book

Turquoise Management proposes to amend the Rules, pursuant to Rule 9.1.1, to create a Dark Reference Price Order Book. This represents an extension to the MTF’s existing dark functionality and is being introduced subject to the approval of the Financial Services Authority (“FSA”).

In addition, Turquoise will discontinue the Discretionary Order type and further Rule changes are included to reflect this, although these changes do not form part of the consultation.

Consultation

Turquoise is consulting with Members on the changes to the Rules and associated documentation appearing below, for a period of two weeks.

Comments should be addressed to Ian Werner, ian.werner@tradedturquoise.com, and should be received by 20 March 2009.
